

EMPLOYEE ASSISTANCE PROGRAM

YOUR WELLBEING STARTS HERE

Roberts Co engaged AccessEAP to offer voluntary confidential and complimentary counselling services for all employees and their family, through their Employee Assistance Program (EAP). It is a short-term, solution focused approach to help you enhance your overall wellbeing.

EAP can assist when personal, family or work related concerns are impacting on your health or quality of life and also when you need guidance on professional or personal goals or effective communication skills. Through professional and experienced counselling sessions, you can achieve your full potential.

This service is completely confidential. Roberts Co, your manager or your colleagues will never be informed that you have contacted AccessEAP; your privacy is guaranteed.

EAP appointments can be made by simply telephoning AccessEAP. Our Client Services Team can arrange face-to-face counselling at a time and location that's convenient to you. Counselling services are also available via telephone and online.

All AccessEAP counsellors are independent of Roberts Co and focus on supporting you to address any issues impacting your wellbeing.
